- **Anniversary weekend with *UNLIMITED DATA***
- **Anniversary month with *RS 349 CELEBRATION PLAN***
- **Anniversary year of surprises with *1 MONTH FREE***

Mumbai, 3rd September 2025: Jio today proudly announced the achievement of a historic milestone - **surpassing 500 million users** - while marking its 9th upcoming anniversary on 5th September 2025. This remarkable feat solidifies Jio's position as the world's largest mobile data network, a testament to the unwavering trust and support of Jio users across India. To put that number in perspective, Jio's user base is more than the combined population of the United States, the United Kingdom and France.

Commenting on the milestone, **Akash Ambani, Chairman, Reliance Jio Infocomm Limited, said:** *"On Jio's 9th anniversary, I feel truly humbled that more than 500 million Indians have placed their trust in us. Reaching this scale within a single nation is a reflection of how deeply Jio has become a part of everyday life, and it shows the incredible power of connectivity in shaping a vibrant digital society. I want to personally thank every single Jio user for making this milestone possible. Your trust and support inspire us every day. As we look ahead, we will continue this journey with even greater resolve - bringing the best technology into the hands of hundreds of millions of Indians, making it accessible, meaningful, and transformative. Together, we will realize the vision of a truly digital India."*

Since its inception, Jio has been committed to building a digital society where every Indian can access affordable, high-quality connectivity to enrich their digital life. **Jio deeply cares about** empowering its users with innovative services that bridge divides, foster opportunities, and drive inclusive growth. This milestone is not just a number; **it reflects the collective aspirations of millions who have embraced Jio as their partner in the digital movement.**

Five major achievements of Jio:

1. Jio made voice calls free from anywhere to everywhere in India.
2. Jio enabled 500 Mn Indians to watch videos and do digital payments on their mobiles.
3. Jio laid the foundation for India's Digital Public Infrastructure such as Aadhaar, UPI, Jan Dhan, Direct Bank Transfer and empowered a confident new generation.
4. Jio catalysed the world's third-largest startup ecosystem and 100+ unicorns.
5. Jio's nationwide 5G rollout, the fastest in the world, has laid the foundation for the AI Revolution in India.

To celebrate this achievement and our 9th anniversary, Jio is rolling out an exciting array of initiatives, including a weekend of unlimited fun, a month-long special offer, and year-round surprises designed to delight our users and enhance their digital experiences.
