

# Accomplish more together with Microsoft Teams

## Connected from anywhere

- Host online meetings and video calls for up to 250 people
- Chat with your team from your desktop or on mobile

## Unite all your work

- Bring all your team's work and apps together, in one place
- Share work and content throughout your intranet

## Personalize your tasks

- Add hundreds of apps and services for work, including Office apps
- Integrate tabs, connectors, bots etc. directly into your experience
