

ConnectFor is where **cause meets passion meets impact**.
We provide tailored solutions to ensure **social value** through **volunteering** and **CSR**, and are a registered non-profit organisation ourselves.

ConnectFor acts as a vital link between corporates and NGO partners, wherein we assess the needs of the corporates, identify credible NGO partners, ideate & execute corporate social engagement activities with monitoring, reporting, and impact evaluation.
The ConnectFor team will be able to ensure a seamless end to end experience by using its expertise and experience in volunteer management and employee engagement.

*Corporate services can be executed Pan India
