12	Special benefits, if any		
13	Advance Payment Option		Available for 3, 6 and 12-monthly advance rental options
14	Recharge/other condition, if any		
Terms and Conditions: <ol style="list-style-type: none"> The charges are inclusive of applicable taxes. The plan is currently available only on advance rental basis for 6 and 12 bill cycle variants for new customers. Post expiry of opted advance rental variant, in case of changing bill plan and on prepaid to postpaid migration, the customers can avail the monthly and quarterly advance rental option of this plan. In case of non-recharge at the end of recharge validity, RJIL reserves the right to provide the plan benefits in a curtailed manner at its own discretion during the grace period of upto 30 days. Further, in case of non-recharge at the end of 90 days from the last recharge, RJIL reserves the right to disconnect the services at its discretion. The Postpaid Fixed line tariff plans can only be availed by customers possessing a compatible Customer Premise Equipment. The CPE are made available at the time of subscription and need to be returned in good condition, in case of customer opting to discontinue the service. Data charges will be applicable for both incoming and outgoing video calls, including TV video calls. The data used by the consumers for OTT applications, Video calls and other content available on internet would be uniformly debited against plan data allocation. This Plan is intended only for personal use of included services. RJIL reserves the right to discontinue the free Voice and Unlimited data benefits offered as part of this Plan in case of misuse/ fraudulent use/ unauthorised telemarketing and commercial use. The commercial data usage policy will be applicable in all Plans with unlimited data. The threshold limit for commercial usage will be high speed data usage of 3300 GB in monthly billing cycle. Post consumption of 3300 GB data in a monthly billing cycle, the data will not be available in same monthly billing cycle. The voice benefits under the Plan voucher cannot be used for outgoing calls to premium numbers, IN numbers, international numbers and other chargeable short codes; the subscriber will be charged applicable tariffs for the same. Unutilized free benefits will be forfeited at the expiry of validity period of the plan. The Subscriber is required to opt for technical compatible and certified customer premise equipment for enabling the services. RJIL is working with multiple device suppliers including RRL for certifying technically compatible devices which may be opted by the customer for enabling additional services. These devices will be available at charges (one-time and recurring) prescribed by the device providers separately.

The plan is currently available only on advance rental basis for 3, 6 and 12 bill cycle variants for new customers. Post expiry of opted advance rental variant, in case of changing bill plan and on prepaid to postpaid migration, the customers can avail the monthly advance rental option of this plan. In case of non-recharge at the end of recharge validity, RJIL reserves the right to provide the plan benefits in a curtailed manner at its own discretion during the grace period of upto 30 days. Further, in case of non-recharge at the end of 90 days from the last recharge, RJIL reserves the right to disconnect the services at its discretion. The Postpaid Fixed line tariff plans can only be availed by customers possessing a compatible Customer Premise Equipment. The CPE are made available at the time of subscription and need to be returned in good condition, in case of customer opting to discontinue the service. Data charges will be applicable for both incoming and outgoing video calls, including TV video calls. The data used by the consumers for OTT applications, Video calls and other content available on internet would be uniformly debited against plan data allocation. This Plan is intended only for personal use of included services. RJIL reserves the right to discontinue the free Voice and Unlimited data benefits offered as part of this Plan in case of misuse/ fraudulent use/ unauthorised telemarketing and commercial use. The voice benefits under the Plan voucher cannot be used for outgoing calls to premium numbers, IN numbers, international numbers and other chargeable short codes; the subscriber will be charged applicable tariffs for the same. Unutilized free benefits will be forfeited at the expiry of validity period of the plan. The Subscriber is required to opt for technical compatible and certified customer premise equipment for enabling the services. RJIL is working with multiple device suppliers including RRL for certifying technically compatible devices which may be opted by the customer for enabling additional services. These devices will be available at charges (one-time and recurring) prescribed by the device providers separately. The subscription to OTT Application suite is provided by Jio Platforms Limited (JPL) at Rs.3339.55/-plus taxes in addition to the plan rental. The OTT STB will be provided at the time of subscription, however, customers not collecting OTT STB at the time of subscription, can avail the same later using the coupon in MyJio app.
