**Terms and Conditions:**

1. The charges are inclusive of applicable taxes. The tariff plan will be offered on an auto-debit mode from core balance. Besides this other mode of recharge will also be available to the subscribers. In case of recharge from core balance, where the applicable tax has already been paid, the subscriber will be charged at MRP excluding applicable tax component.
2. In case of non-recharge till the end of recharge validity period, incoming calls and incoming SMS will be available for at least 15 days post expiry of recharge. Post this period, these benefits can be stopped at any time, at RJIL's discretion. Further, in case of non-recharge at the end of 180 days from the expiry of last recharge, RJIL reserves the right to deactivate the number at its discretion, irrespective of any usage in this intervening period.
3. The mobile connection will be deactivated if there is (a) no voice/ video call (outgoing or incoming) or an outgoing SMS or a data session (upload or download) or usage of Value Added Services, for a continuous period of 90 days and (b) in case the subscribers main account balance is less than Rs. 20/-, at the discretion of RJIL. Upon deactivation, all account balances will be forfeited, and a grace period of 15 days will be provided to the subscriber within which the subscriber can retain the deactivated number by paying a fee of Rs. 20/-. If the subscriber's main account balance is Rs. 20/- or more, number retention charge of Rs. 20/- for every 30 days will be automatically deducted and the non-usage period will be extended by 30 days.
4. Data actually consumed for both incoming and outgoing video calls will be deducted from daily high speed data entitlement of the subscriber.
5. This Plan is intended only for personal use of included services. RJIL reserves the right to discontinue the free Voice benefits offered as part of this Plan in case of misuse/ fraudulent use/ unauthorised telemarketing and other commercial uses.
6. The voice/SMS benefits under the Plan voucher cannot be used for outgoing calls/SMS to premium numbers, IN numbers, international numbers and other chargeable short codes; the subscriber will be charged applicable tariffs for the same.
7. Unutilized plan benefits will be forfeited at the expiry of current recharge validity.
8. The Subscribers will be required to opt for suitable Top-up voucher to avail other chargeable services.
9. This Prepaid tariff plan can only be availed by customers possessing an LTE compatible device.
10. In wireless networks, download speed cannot be assured due to reasons beyond the control of mobile service provider. Jio provides best 4G and 5G speeds in India and as per TRAI MySpeed, Jio provides highest 4G download speeds with national average above 36 Mbps. As per the test set up proposed in TRAI QoS Regulations, typical $10^{th}$ percentile download / upload speed is 15 Mbps / 7 Mbps. This implies that 90% of our subscribers experience speeds higher than this speed.
