Mumbai, 22nd September 2020: In pursuit of transforming the postpaid services segment, Jio is introducing **JioPostpaid Plus**, with never-heard-before benefits for postpaid users in India. The main objective of the newly launched JioPostpaid Plus service is to provide SUPERIOR services across connectivity, entertainment and experience.

Commenting on this development, Mr. Akash Ambani, Director, Jio, said *“There can't be a more opportune time to introduce JioPostpaid Plus. After having earned the trust of close to 400 million satisfied customers in the prepaid smartphone category, we want to extend our customer obsession to the postpaid category.*

JioPostpaid Plus has been intricately designed keeping in mind the needs of every postpaid customer. It accounts the need for dependable and high-quality connectivity, limitless premium entertainment, seamless and affordable international roaming, cutting-edge innovative features and most importantly the customer experience. We have tried to design a gold standard service experience and we hope that every postpaid user in India will make full use of it.”
