**Commenting on this development, Mr. Akash Ambani, Director, Jio, said** “JioFiber is already the largest Fiber provider in the country with over a million connected homes, but our vision for India and Indians is much larger. We want to take Fiber to each and every home and empower every member of the family. After making India the largest and the fastest growing country in mobile connectivity with Jio, JioFiber will propel India into global broadband leadership, thereby providing broadband to over 1,600 cities and towns. I urge everyone to Join the JioFiber movement to make India the broadband leader of the world.”
